SUMMARY

With one year of hands-on experience in digital marketing and WordPress development, I have managed social media as a content creator for a gym, worked as a WordPress developer in a marketing agency, executed Meta ad campaigns for multiple businesses including a Wayanad resort, a snacks brand, and an educational academy, developed a WordPress website for a halwa company, and designed promotional creatives for a furniture company and a resort. I am highly motivated to further enhance my skills and continue growing in the digital marketing industry.
